Composed by Rudolph (Randy) Haleakalä Farden. Mr. Farden wrote this while at the Coco Palms Hotel on Kaua'i. A hotel where, at dusk, a lucky visitor could witness the famous and fabulous torch lighting ceremony created by hotel manager Grace Buscher Guslander. Under her management from 1953 to 1985 the hotel was noted for its joyful celebration of Hawaiian song, dance and spirit. The hotel suffered fatal damage during Hurrircan 'iniki, and never re-opened. A great loss for visitors and kama'aina.

Beautiful Kaua'i

Randy Haleakalā Farden, Jr

1. *There's an island across the sea
Beautiful Kaua'i, Beautiful Kaua'i*

2. *And it's calling, just calling to me
Beautiful Kaua'i, Beautiful Kaua'i*

*Chorus: In the midst of Fern Grotto
Mother Nature makes her home
And the Falls of Wailua
Where lovers often roam*

3. *I'll return to my isle across the sea
Beautiful Kaua'i, Beautiful Kaua'i*

4. *Where my true love is waiting for me
Beautiful Kaua'i, Beautiful Kaua'i*

*Chorus: In the midst of Fern Grotto
Mother Nature makes her home
And the Falls of Wailua
Beautiful Kaua'i
Where lovers often roam*

5. *So I'll return to my isle across the sea
Beautiful Kaua'i, Beautiful Kaua'i*
